HEIDI HORTEN COLLECTION

YOUR PREMIUM EVENT LOCATION

The Heidi Horten Collection offers an extraordinary and prestigious setting for exclusive events. Surrounded by outstanding works of modern and contemporary art, the museum combines art with exceptional architecture to create an atmosphere that is as inspiring as it is elegant for special occasions.

The museum is characterized by the harmonious interplay of historic architecture and contemporary design. Spacious, light-filled rooms and the immediate proximity to the art provide a unique setting for receptions, dinners, presentations, and exclusive events.

With approximately 1,500 m² of exhibition space, the museum unfolds as an open, spacious spatial composition. Its architectural centerpiece is the central atrium, from which the various exhibition levels are accessible via cantilevered staircases and an elevator. Openness, surprising sightlines, and shifting perspectives give the building its distinctive spatial character.

SPACES AND CAPACITIES

ATRIUM

The ground-floor atrium forms the architectural centerpiece of the museum. Surrounded by exceptional works from the collection of Heidi Horten – one of Europe's most significant private collections – the art itself becomes part of the event experience. The spacious architecture and the immediate proximity to the artworks provide an impressive backdrop for receptions, dinners, and presentations.

TEA ROOM

On the first floor, guests will find an extraordinary retreat that blends the charm of a salon with the wonder of a cabinet of curiosities. Designed by artists, the Tea Room combines art, design, and ambiance into a total work of art. Its intimate atmosphere makes it the ideal setting for small receptions, conversations, and exclusive gatherings.

SCULPTURE GARDEN

Located directly in front of the museum, the Sculpture Garden offers an unexpected oasis of tranquility in the heart of downtown Vienna.

Surrounded by sculptures and urban greenery, it provides an extraordinary setting for receptions and gatherings under the open sky.
